

APPLE CAKE

Ingredients

8 oz Self-Raising Flour
5 oz Soft Margarine
8 oz caster sugar
2 Eggs
1 tsp Almond Essence
About 1 lb Apples (sliced)
Flaked Almonds

Method

Put flour, margarine, sugar, eggs and almond essence into a bowl or food processor and mix until smooth. Put about a third of the mixture into an 8" lined cake tin and place the apples on top. Cover this with the rest of the mixture. Decorate top with flaked almonds and bake for one and a half hours at Gas 3/160C.
